

PATENT
S/N: 09/894,233

Docket No. 1232-4242US3

REMARKS

Applicants respectfully request that this application be amended as shown above.

When the instant application was filed on June 27, 2001, the title indicated was:

**"REMOTE CONTROL SYSTEM AND ACCESS CONTROL METHOD FOR
INFORMATION INPUT APPARATUS WITH LIMITATION BY USER FOR IMAGE
ACCESS AND CAMERA REMOTE CONTROL".**

On the Notice of Allowance and Official Filing Receipt, however, the title is truncated without explanation to

**"REMOTE CONTROL SYSTEM AND ACCESS CONTROL METHOD FOR
INFORMATION INPUT APPARATUS".**

Applicant submits that the original title is in conformance with 37 CFR § 1.72 and is unaware of any reason why the original title can not or should not be maintained and hereby amends it to reflect the original intended title as shown above.

Applicant respectfully requests entry of this Amendment prior to issuance.

Applications further request that a Corrected Filing Receipt be issued to reflect the corrected title as well. A copy of the Official Filing Receipt, with the changes annotated thereon is attached.

No fees are believed due for this submission. However, the Commissioner for Patents is hereby authorized to charge any fees for filing this Amendment to Deposit Account No. 13-4500, Order No. 1232-4242US3.

Respectfully submitted,
Morgan & Finnegan, L.L.P.
